Access to exhibition booths and networking

The G7 Climate & Environment Ministerial meeting will be streamed live to OnAIR, the virtual event platform attended by Officials so they can watch proceedings.

You are invited to login to the OnAIR virtual event platform during the breaks and before or after the sessions each day.

Here you will be able to view content from the Climate and Environment teams, visit the exhibitor booths hosted by groups affiliated to the G7, and participate in networking with other event attendees.  
You will receive access to the virtual event platform 24 hours ahead of the meeting.

This is your personal link to join the OnAIR platform.

To make the most of this virtual event you will need to log in on a separate desktop or laptop device to that used for the Webex call. We recommend using the Google Chrome browser but the platform will also support Firefox, Edge or Safari. You will need a webcam and microphone that your browser has permission to access.

Please note – Ministers cannot join the formal Sessions from OnAIR. For the Ministerial session and to make your interventions you must use the Webex link.
